Welcome - Rose Community Foundation Capital Grant Request - Application

We're pleased to receive your capital grant application. This is step two in a two-tier process. Our [program staff](#) is eager to help as you develop your application.

If you have not already explored our grant eligibility, guidelines and FAQ, please visit rcfdenver.org/content/grants. Our capital request eligibility guidelines are available [here](#).

We require organizations seeking capital funds for renovation, new construction, and/or land acquisition to go through a two-tier application process. Organizations must first submit a one-page letter of introduction outlining the project for our program staff to review prior to submitting an application. After review, the applicant may be invited to submit a full application.

If you haven't submitted a letter of introduction or if your letter has not been accepted by the Foundation, please do not complete this application. Click on "Apply" on the left side of this page to access the Letter of Introduction application.
