ABOUT THE KEYNOTE

Nikki Marquez | Immigrant Legal Resource Center

Nikki joined ILRC in October of 2015 through a Ford Foundation Fellowship. She contributes to manuals, develops practice advisories and community resources, and engages in ILRC's advocacy work. Nikki is a graduate from Stanford Law School, where she was a member of the Immigrants' Rights Clinic and interned at the ACLU Immigrants' Rights Project. Prior to law school, Nikki worked on anti-human trafficking policy and on issues related to the economic rights of survivors of domestic violence. Nikki has been working in partnerships with school districts, health centers and employers across the country to help keep students, families and employees safe.

ABOUT THIS EVENT

Changes in immigration policies affect us all, but especially organizations and public systems serving immigrant and refugee populations in Denver. As part of our commitment to ensure our community remains a safe place for all to live, Rose Community Foundation is hosting Working with Organizations and Institutions to Keep Students and Families Safe. This private educational session will provide expert policy/legal updates and equip participants from schools, childcare centers, healthcare centers and colleges with best practices to continue their work in this environment.

ABOUT ROSE COMMUNITY FOUNDATION

Rose Community Foundation is dedicated to enhancing the quality of life of the Greater Denver community. Rooted in the Jewish tradition, our values of philanthropy, justice and nondiscrimination are at the heart of our organization. Our work is guided by these values and by the belief that we all have a shared responsibility to do what we can to make our community a better place. We do this through grantmaking, donor engagement, collaboration and community leadership. We support and strengthen nonprofit organizations, we create initiatives to meet community needs and we support efforts to change policy to better serve the community's most vulnerable residents. We support donors in their practice of thoughtful, values-driven philanthropy. We do all this to create positive, sustainable, systemic change for the community we serve.
