LIVE ON

BUILD YOUR JEWISH LEGACY

When you sit down at your Seder, consider how you can help to ensure the future of the organizations you value and appreciate. Live On through the legacy you leave in the Denver/Boulder Jewish Community.

Here are three easy ways to Live On:

- Create a bequest in your will and leave either a percentage of your estate to the charities you love or specify a dollar amount.
- Name your favorite organizations as the beneficiaries of a life insurance policy.
- Use your retirement plan to support the organizations you care about.
