Denver Jewish Day School is the ultimate benefactor of your Planned Giving. But there are tax advantages for you, too.

When you name Denver Jewish Day School as a beneficiary of your IRA or other retirement asset, you’ll be able to enjoy several tax advantages.

• Retirement assets incur income taxes when given to friends or family in your estate, but non-profits such as Denver JDS would receive the full amount of a donation with no tax implications.
• Your estate would also offset state taxes with the charitable contribution.
• You can divide retirement assets between charities and your heirs.

If you’re considering giving a percentage of a retirement account (or any other asset) to Denver JDS, please contact us. We’d love to help you impact our students for years to come through a legacy gift.
